

IARP Member Discount Programs

Software

SkillITRAN

SkillITRAN is the home for software products familiar to many in the rehabilitation industry, including EZ-DOT Job Browser Pro, and SkillITRAN Online Services for Transferable Skills Analysis, Local Labor Market Information, Business Listings for Job Search and Labor Market Survey and Pre-Injury/Post-Injury Analysis. SkillITRAN is owned and operated by Jeff Truthan, the original product designer of most of the products at the now defunct CAPCO/JobQuest Corporation. Jeff is very pleased to be able to restore and rebuild these popular products and focus on the level of customer service and support you deserve. Job Browser Pro was recently endorsed by IARP as "high quality reasonably priced, and beneficial to IARP members."

IARP members are entitled to a special member price (10% discount)

RehabContinuum.net and New Community Associates

RehabContinuum.net and New Community Associates have developed the training you need to succeed in the multi-billion dollar market created by the implementation of the Ticket To Work and Work Incentives Improvement Act (TTWWIIA).

The "TTWWIIA Educational Series" consists of six, Web-based, multi-media training programs featuring Social Security Disability Programs Expert Dr. Bruce Growick. Much more than Web-based articles approved for CEUs, the "TTWWIIA Educational Series" is a complete interactive training program, featuring streaming audio/video/slide presentations, supplemental reading materials, links to online resources, and a discussion forum for interacting with our content expert and class participants. Courses take place over a two-week period — AND EACH PROGRAM IS APPROVED FOR 10 CEUs for CRC, CCM, CDMS, CVE, CWA, CLCP, CCAA, and AT. IARP has endorsed the "TTWWIIA Educational Series" and IARP members get a 10% discount!

We're so confident you will find the "TTWWIIA Educational Series" an outstanding value, we're offering Program 1: "The Social Security Disability System" for free!

Visit us at <http://www.RehabContinuum.net> and click on "Education" to see the individual course descriptions, schedules, and registration information.
